

# The NCODA Nursing Community:

## Where Collaboration and Innovation Cultivate Excellence in Oncology Care

### Our Mission

*Is to inspire nurses caring for individuals with cancer, to share ideas, collaborate inter-professionally, and to promote quality standards and best practices in oncology nursing care.*

### Our Vision

*Is for all nurses caring for individuals with cancer to be recognized as valued members of the medically integrated care team.*

*We will achieve this through innovation of resources that empower all oncology nurses to provide the best care possible so that every patient receives the maximum benefit from their treatment.*

### Collaboration

#### Networking and fostering valuable connections

- A platform for monthly virtual gatherings
- Educational opportunities
- Attendance at NCODA international meetings
- Scholarship opportunities

#### Influence and Collaboration

- Nursing representation on NCODA staff and executive council
- Interdisciplinary collaboration on NCODA resources and education (see "Engagement Opportunities")

#### Impactful Initiatives

- Promoting the role of the Nurse as a valued member of Medically Integrated Care Team through joint initiatives.
- Promoting the role of the Oral Oncolytic Nurse Navigator through joint initiatives

**Develop friendships and enjoy the camaraderie!**
