

2026 NCODA INTERNATIONAL SPRING FORUM

Essential CE Information

CE Registration:

- Please make sure to register for the 2026 NCODA International Spring Forum CEs via this link: <https://www.lecturepanda.com/r/2026NCODASpringForum>
 - After registering for your CE, you should receive a confirmation email with a unique link. **Please DO NOT share this link with anyone as it is unique to your own profile.**
- You may also register for the 2026 NCODA International Spring Forum CEs via this QR code:

CE Pre-assessment:

- After registering for your selected CEs, please make sure to complete each of your CE sessions' Pre-assessment **BEFORE** the start of each of those CE sessions
 - This is because the Pre-assessment will automatically close out 15 minutes **AFTER** each CE session, in order to prevent obtaining invalid data from participants completing the Pre-assessment after the CE session has ended

Obtaining CE Credit:

- Credit requirements must be completed within 60 days of the program activity date: **June 16th, 2026**
- Upon completion, credit will be transmitted electronically to ACPE for pharmacists and pharmacy technicians
 - If you are a nurse, physician, or advanced practice provider, NCODA has partnered with Partners for Advancing Clinical Education (PACE) to expand CE accreditation
 - Please refer to the “PACE Handout” for more information
